PRINCIPAL TEAM NEWS

Respect, Resilience, Achievement & Community

We would like to pay our respect to the Dja Dja Wurrung people. The Traditional Custodians of this Land on which we gather today and pay our respects to the Elders past, present and emerging.

Student Awards

Thank you to the following students for helping us with our vision of having our Golden Square Primary School community work collaboratively in a safe, respectful learning environment that inspires a passion and curiosity for learning by demonstrating the following skills, knowledge, understanding and behaviour.

Values Awards

- Lisa-Marie J: for being a helpful and respectful member of our class.
- Ekam B: for being a kind friend by helping his classmates
- Azaleah Y: for showing kindness to her friends and playing with new people
- Grace H: for writing a creative piece of writing with correct spelling and grammar
- August L: for improving his understanding knowledge of place value using numbers
- Cooper W: for always being helpful in the classroom
- Matilda S: for completing a brilliant first term at school working hard every day
- Stella B: for displaying all our school values during the $\frac{3}{4}$ excursion
- Addison B: for going out of her way to pick up rubbish in the school ground
- Milla L: for producing a wonderful recount of our excursion to the gold mines
- Levi W: for trying his best and creating a strong persuasive piece
- Kayde Q: for having a successful Term 1 where he has worked hard to achieve his best in the classroom
- Evan D: for showing great leadership in the class and yard
- Jaymin B: for transiting quietly and starting his learning

Reading Awards

- Lance M: for consistently demonstrating reading expectations and home reading.
- Scarlett C: for working hard to read CVC words
- Lane C: for decoding words in her readers and reading at a steady pace
- Harmony P: for wonderful phrasing and expression when reading
- Luke M: for his wonderful achievement in reading so many books during independent reading
- Abbey C: for demonstrating a commitment to her reading and always staying on task
- Mia H: for working hard on her book review of Matilda
- Leila R: for working hard to achieve her reading goals
- Rachel J: for being proud and confident in herself as a reader
- Kaylee B: for breaking down unfamiliar words
- Eli C: for being an active member in his literature circle

Mother's Day Stall / Raffle

The Community Engagement Subcommittee is looking for donations for the Mother's / Special Friends Day raffle that will be taking place on Friday the 6th of May. We ask that donations be dropped off at the office by Friday the 29th of April (the end of the first week back). On Friday the 6th of May all children will visit the stall with their class. There will be a \$5 limit for purchasing Mother's Day gifts with items ranging from 50 cents to \$3. Additional money can be bought by each child to purchase raffle tickets. The raffle tickets will be \$1 each or 3 for \$2. During the afternoon school assembly we will draw the Mother's Day raffle.

Parent Reading Helpers

Thank you to all the parents and friends who have completed the induction for reading helpers. If you are interested and could not make the session please contact Jess Tomlinson to organise another time that suits.

jessica.tomlinson@education.vic.gov.au

Professional Practice Day - Term 2

As stated in the last newsletter, there will be an additional day where children will not be required at school this term. Consultation with teaching staff commenced today, our first day back. It is likely that this day will be in week 6 and the confirmed date will be communicated as soon as the required process is completed.

Volunteer Library Helpers

We are seeking volunteers who would like to assist with contacting books for the Golden Square Primary School Library. You may contact books from home or you may prefer to contact the books in the library with a volunteer network. To be a volunteer, you will need to show proof of triple vaccination, have a current Working with Children's Check card and attend a volunteer induction. If you would like to volunteer by taking books home to contact, you will not be required to attend an induction. If you would like to be a library helper, please register your interest via the following email

marita.mclean@education.vic.gov.au

Goldfields/Sandhurst Division Cross Country 2022 - Wednesday 4th May

On Wednesday 4th May Grade 3, 4, 5, and 6 students will be invited to travel by bus to the Bendigo Jockey Club to compete in the Goldfields/Sandhurst Division Cross Country. This event will follow our school cross country competition. Students will be invited to participate in this inter school event. Shane Freer will provide additional information regarding this event by Friday if your child is invited to attend.

COVID-19 Update

This communication is to seek your support in ensuring that we are notified if:

- Your child has tested positive to COVID-19
- Your child is a household contact.

As detailed in an email late last week, children are now allowed to attend school when a household contact if:

- they wear a face mask when inside at school unless they have a valid exemption
- they undertake daily rapid antigen testing five times within the 7 days they are deemed to be a household contact

For those children who have tested positive and have completed their 7-day isolation period, they are not required to participate in the RAT screening for 12 weeks after their release from isolation.

A new box of Rapid Antigen Tests will be sent home with your child this week. This is to support the continued recommended testing of twice a week. Please note the information above for children who have tested positive and their exemption from testing.

For children (and adults) who are not household contacts, the wearing of face masks is no longer mandatory at school. There will be some people that would prefer to continue to wear masks. This is understood and supported.

We have also received our additional supplies of air purifiers which we have distributed around the school. Additional units in the rooms will support us as we approach the cooler months and having the windows and doors open is going to be much more difficult.

We are always happy to hear your thoughts as we continue to work as one to maintain a safe, kind and respectful learning environment.

Fortuna District Athletics Sports

On Thursday 7th March, 51 students from the Grades 3-6 competed in the Fortuna and District Athletics Sports at Latrobe University Athletics Track in Flora Hill. They competed against students from Kangaroo Flat, Violet Street and East Loddon P-12. We are very proud of every one of these students and thank them for representing our school. Please enjoy these pictures from the day.

GSPS Grade P-6 Cross Country 2022 - Friday 29th April

On Friday 29th April we will be running our Junior and Senior School Cross Country. Students might like to begin practising long distance running in preparation for the event.

Approximate distances for each age group include;

- 5/6 year olds 700m
- 7 year olds 1100m
- 8 year olds 1400m
- 9/10 year olds 2000m
- 11/12/13 year olds 3000m

Many of you have already completed your permission for your child to participate in local excursions on Compass. This event will be one of those excursions. For those of you yet to do so, please provide consent on Compass. There is no cost to this event. If you need support, our friendly office staff will be happy to help.

Scholastic Book Fair - 27th April to 6th May

From tomorrow each child will be given time to visit and explore the books on offer over the next week. They will be able to compile a wish list that will enable you to have discussions. Google may come in really handy here if they give you the title of a book that you would like to know more about. Books start at \$5. On Tuesday the 3rd of May the Book Fair will be open for parents and carers to come along and have a look from 9 - 10 and 2.30 - 3.15. The Book Fair will be located in the library. All orders will need to be placed online and the wish list returned to your child's classroom teacher.

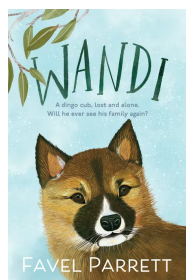

Grade 4 Sovereign Hill Camp 2022 - 9th, 10th, 11th May

The Grade 4 students will be attending their camp at Sovereign Hill, Ballarat this year on Monday 9th, Tuesday 10th and Wednesday 11th May. The educational purpose of this camp is for students to experience Australia in the 1850s, specifically life in a gold rush town. Students will depart Golden Square Primary School at 8.30 am on Monday 9th May and will return on Wednesday 11th May at 5.30 pm. Students will travel by bus. Activities to be undertaken include gold pour demonstration, Red Hill Mine tour, gold panning, AURA Sound-and-light show, Gold Museum visit, 'The Secret Chamber' mine tour, sweet making demonstration and a schools program. Students will receive a clothing list for the camp tomorrow.

Grade 5/6 Bendigo Writers Festival 2022 - Thursday 12th May

We have been able to book the Grade 5/6 team into the Wordspot for Schools program at the Bendigo Writers Festival. Students will be attending two sessions, Wordspot 1 - Wandi the Dingo and Wordspot 2 - What the Crow Sings. Please read below a little description for each of the sessions. Grade 5/6 classes will be exploring these texts in preparation for these sessions. Permission can be completed via Compass.

Wordspot 1 - Wandi the Dingo

Favel Parrett, host Lucy Mayes

Ulumbarra Theatre 9.45am-10.30am

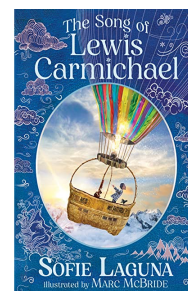

What happens when a dingo cub is snatched from his family and home by a giant eagle, then dropped, injured, in a suburban backyard? Wandi became the most famous dingo in the world, and now his story is told in a book written by one of Australia's best-known writers. Favel talks to Lucy Mayes about how she discovered the story of an amazing dingo and why it's important to protect these beautiful animals.

Wordspot 5 - What the Crow Sings

Sofie Laguna, host Sarah Mayor Cox

Capital Theatre 11.30am-12.15pm

You can read about wonderful places and learn extraordinary things in books, but what if you still struggle to find answers and make friends? What if it took a crow named Lewis Carmichael to make an unexpected voyage possible? Sofie Laguna talks to Sarah Mayor Cox about her enchanting illustrated story about Matthew and a talking crow. How do you unlock imagination? Can we really travel in our mind? Is it ok to be uncertain about fitting in?

Year 5/6 Science Assistance Required

To support our students' learning in Science this term we require a supply of small, clean, plastic bottles that are, ideally, of the same size. We ask that if you have any empty Pop Top bottles (or bottles of the like) at home that you no longer need or use, could you please donate them to our Year 5/6 team.

Please bring any empty, clean, plastic bottles to Ms Osborne's classroom - M5. Thanks for your support.

School Photos

School photos this year will be taken on Tuesday May 31st. Once again packages will be offered similar to last year. Cost of the different packages will vary, but will start at around \$30.00 and vary up to about \$50.00 according to the package you order.

As the payment system is PRE-PAID we are letting you know about this upcoming expense now to allow for some saving or budgeting for the expected cost. Actual details and prices will be explained on the order form which will be sent home shortly before the photos are taken.

Evacuation Drill

An emergency evacuation drill will be held in the upcoming week. We will be evacuating to the Wade Street oval as part of this process. Children will be informed by their teacher that the drill will be happening, the reason for the drill and what is expected of them.

Year 6 - 7 Transition

This Friday, April 29th, all Year 6 students will receive a **Placement Information Pack for Parents/Carers for 2023 school year**. The Parent/Carer Pack contains

- Application for Year 7 Placement 2023 Form - to be returned to school by Friday, May 13
- *New* Year 7 Placement Acceptance Slip
- Frequently Asked Questions
- Privacy Notice

Your child's completed *Application for Year 7 Placement 2023 Form* is due back at school by 9am on Friday, May 13th.

Partners in education

Year 6 – 7 transition information night
Wednesday May 4th at 7pm
Crusoe College Gymnasium.
Evening will conclude at 8:30pm.

**Proof of double vaccination required on entry to the College for Parents/Guardians*

Year 7 2023 Information Evening
Wednesday 4th May | Bendigo South East College

Mental Health in Primary School

Understanding the Importance of Sleep

Suitable for 5-11 years and pre-teen sleep:

Key points

- Sleep is important for children's growth, learning, mood and development.
- Good sleep habits like relaxing bedtime routines can help children sleep.
- Most school-age children and pre-teens grow out of common sleep problems like sleepwalking and bedwetting.

Why sleep is important for children aged 5-11 years

When your child sleeps well, your child will be more settled, happy and ready for school the next day. Good-quality sleep helps your child concentrate, remember things, regulate emotions and behave well. This all helps your child learn well. Getting enough sleep also strengthens your child's immune system and reduces the risk of infection and illness.

Sleep: what children need

At 5-11 years, children need 9-11 hours sleep a night. For example, if your child wakes for school at 7 am and needs approximately 10 hours sleep per night, your child should be in bed before 9 pm.

Some children fall deeply asleep very quickly when they go to bed. Others sleep lightly, fidgeting and muttering for up to 20 minutes, before getting into deep sleep.

Children have different kinds of sleep during the night. The first few hours of sleep are usually the deepest. Most dreams happen in the second half of the night.

Puberty affects children's sleep. Sleep for children around 12 years and older might mean going to bed and waking up later, but they still need plenty of good-quality sleep.

How to help children sleep well

A good night's sleep is about getting to sleep, staying asleep and getting enough good-quality sleep. Here are some ideas that can help your child get the sleep they need.

Bedtime routine

A bedtime routine is very important at this age. It helps your child wind down from the day.

For example, a child who normally goes to bed at 7.30 might have a bedtime routine that looks like this:

- 6.45 pm: put on pyjamas, brush teeth, go to the toilet.
- 7.15 pm: quiet time in the bedroom with a book and a bedtime story or quiet chat.
- 7.30 pm: goodnight and lights out.

Relaxing before bed

After a big day at school, your child might still be thinking about the day's events and worries. If your child's mind is still busy at bedtime, it can cause a restless night or bad dreams.

You can help your child settle and relax for sleep by keeping activities quiet in the hour before bed. For example, you could play gentle music or read a story together. Making a bath part of your child's bedtime routine can also help with relaxation.

Relaxing before bed also helps with better sleep for pre-teens and teenagers.

Good sleep habits

Your child might sleep better at night if they:

- keep regular sleep and wake times, even on the weekend
- turn computers, tablets and TV off an hour before bedtime
- have a quiet and dimly lit place to sleep
- get plenty of natural light during the day, especially in the morning
- avoid caffeine in tea, coffee, sports drinks and chocolate, especially in the late afternoon and evening.

You can find more information about this by following this link.

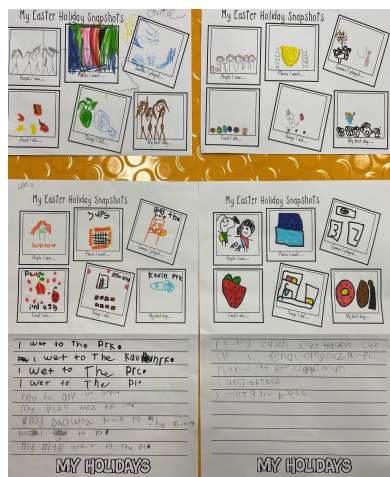

Reading

This week we are learning about rhyming words. Students have been listening to rhyming stories and playing games that involve listening carefully and matching words that sound the same at the end.

Writing

This week we are working on completing our Easter holiday recounts. Students have had some interesting stories of all the adventures they had over the past two weeks.

Mathematics

In maths this week, we are learning about ordinal number. Students have been running races and completing games involving first, second, third and beyond.

Reminders

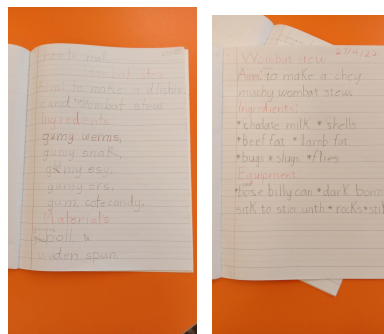

Cross country is this Friday at 11.30am. Your child has been given a special house colour and is encouraged to dress up in those colours to show their team spirit.

Please remember to help your child pack their reader bag in their school bag so they bring it to school each day. Remember to try and maintain the 5 nights of reading per week.

As the weather is cooling down, it is important that they bring a warm jumper to school that has your child's name clearly marked on it. Please make sure your child has a spare change of clothes in their bag as we have had some students slip on the wet grass requiring a change of clothes.

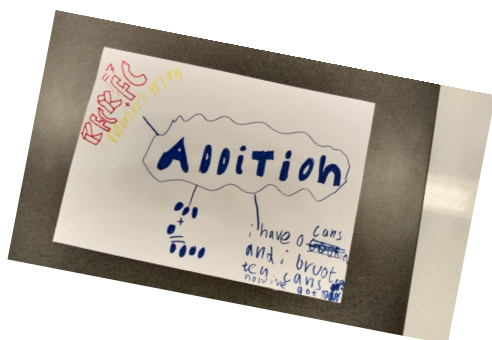

Writing

In the Grade 1/2 Team, we are learning how to structure procedural texts. We will be reading various examples of procedural writing such as recipes and instructions, and we will be writing our own procedures. We will be identifying the purpose and audience for procedure texts.

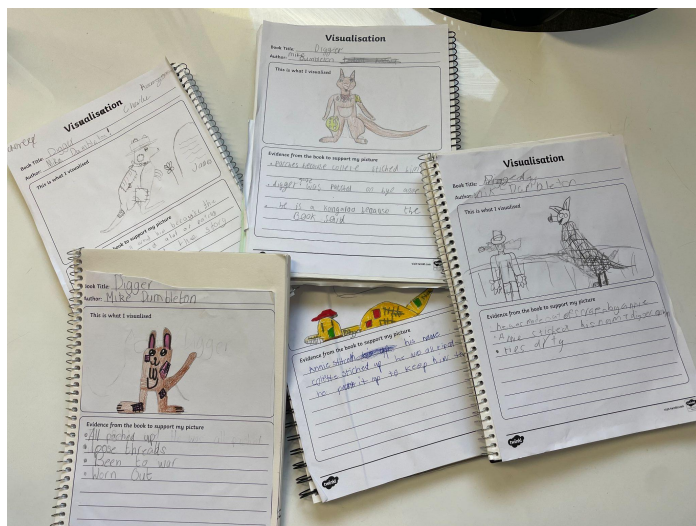

Reminders

- School cross-country on this Friday at 11.30am.
- Making sure our reader bags go into our bags to take home at the end of the day.
- Reading 5 nights per week and logging this into your child's diary.
- Packing a drink bottle of water every day.
- A reminder to also bring a warm jumper to school that has your child's name clearly marked on it.

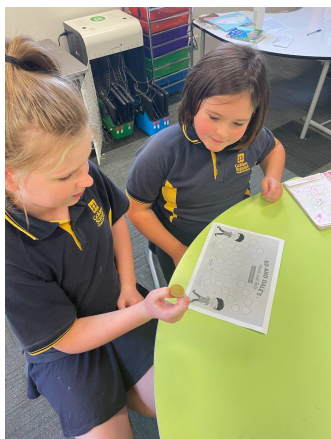

Reading

To start the term in the 3/4 unit we have been reminding ourselves what good reader's look like and practising our independent reading expectations. We are working on identifying clues in a text to visualise stories we are reading or having read to us. Miss McKenzie's grade practiced this skill when we listened to the ANZAC story 'Digger'.

Mathematics

In maths the students have started the term exploring chance and conducting short chance experiments such as, how many times will you land on heads or tails when you flip a coin. We will be testing our prediction and creating graphs to show our findings.

Writing

In writing we are continuing to practice using persuasive devices such as alliteration, rhetorical questions, personal pronouns, exaggeration and high modality words to strengthen our arguments.

Some children showed their knowledge of persuasion when arguing that all children should exercise.

Charlee & Daisy - Exercise is important for our health. Do you want to be overweight?

Mckayla & Maci - Why would you want to sit on the couch all day and be really unhealthy?

Lilly & Amelia - If we stop exercising when we are adults we will be lazy and overweight!

Reminders

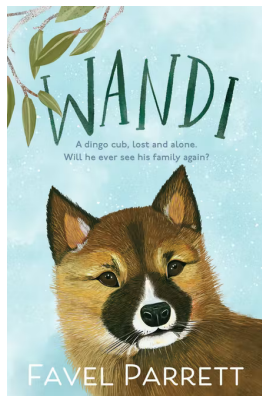

- Book Fair
- Cross Country 29th of April
- Grade 4 Sovereign Hill Camp 9th - 11th of May
- Grade 3 NAPLAN 9th - 16th of May

- Please keep reading at home each night and recording in your diary!
- With the weather cooling down please remember to bring named jumpers or jackets to school each day.

Reading

In the 5 / 6 unit, we will be beginning Term 2 by incorporating the novel *Wandi* into our shared reading time in preparation for our visit to the Bendigo Writers Festival on the 12th of May.

Writing

With ANZAC day already on our doorstep, the 5 / 6 children will be launching into a poetry unit, starting with ANZAC day acrostic poems.

As the soldiers fought, gunfire and explosions surrounded them.

New soldiers training to fight in the dangerous, thunderous war.

Zealous soldiers fighting to save their country.

Angry, sad, scared families not knowing what was happening.

Crawling on hands and knees, soldiers moving through the thick, deep, muddy trenches.

Mathematics

Our maths work in Term 2 begins with a focus on operating with decimal numbers. Specifically, this week we begin the 5/ 6 students with performing calculations where they will add and subtract decimal numbers and use estimation and rounding to check their answers.

5.6 3.1 2.65
9.3 0.7 1.24
8.2 0.1 2.2
0.12 7.7 0.3

Reminders

- Book Fair visits start:
 - 5 / 6 W Thursday April 28th
 - 5 / 6 R Thursday April 28th
 - 5 / 6 F Monday May 2nd
 - 5 / 6 O Thursday May 5th
- Cross Country April Friday 29th
- Mother's Day Stall Friday 6th May
- Grade 5 NAPLAN: 9th May - 20th May
- Grade 5/ 6 Excursion to the Bendigo Writers Festival Friday 12th May.

Specialist - TEAM NEWS

Digital Technology - Ben Suter

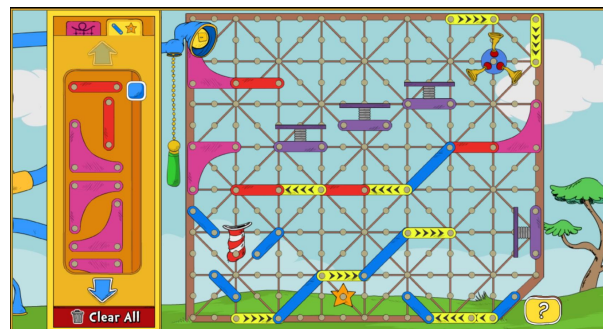

Prep

Preps have enjoyed a number of different literacy and numeracy activities in ICT. They are doing quite well with their mouse skills and are learning to login and navigate all by themselves.

Grade 1/2

This week, the Grade 1/2s are beginning to add some shapes and text to a Word document. A favourite game from last term seems to have been the problem-solving activity of making their own roller coaster using Marbleous Rollercoaster.

Grade 3/4

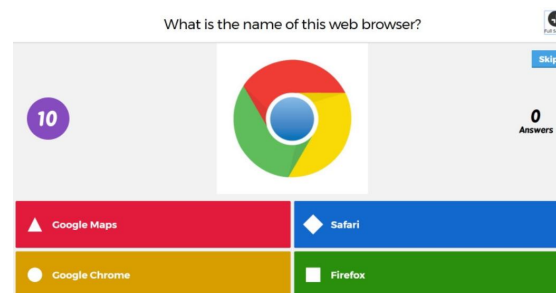

Our recent project has been to think about the design of bridges and what makes them so strong. Some bridges use the strong shape of triangles in their design. We have created our own bridges using LEGO Digital Designer. (Nice work Olive!)

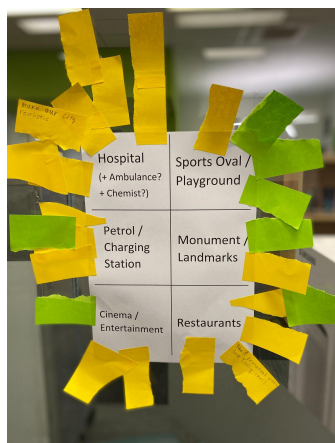

Grade 5/6

Classes have worked in groups to research and write their own Kahoot Quiz on the topic of technology. We are enjoying playing some of them as a class.

Do you know when the first iPhone was made? Who an electric car company is named after? Can you name 4 types of clean energy? If not - ask a Grade 5/6 student!

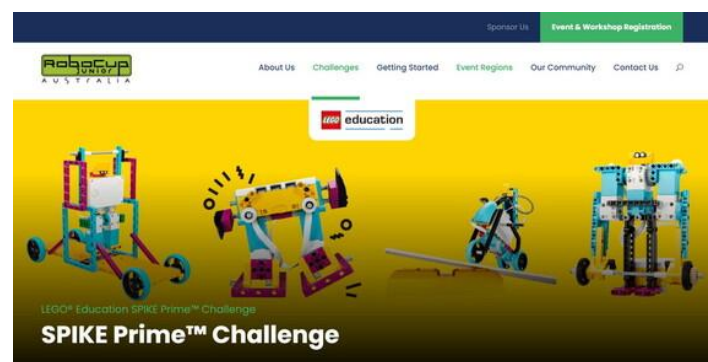

Grade 3/4 STEM

This week, the group voted on the buildings they thought were the most important for a city and which ones should be near the city centre. They also practised creating 3-view drawings of a building (front, top and side view). After getting some design ideas down on paper, we will start creating it on the computer using Tinkercad. When completed, they will be ready for 3D printing!

Grade 5/6 STEM

Students are now at the design and build stage of our LEGO robots. The theme is 'Journey' and they need to build and then code their creations, ready to enter the SPIKE Prime Challenge competition in late June.

Scholastic Book Club Issue 3 2022 - Orders Due Friday 13th May

Book Club LOOP

Dear Families,

Our school is participating in the Scholastic Book Club again this year. Up to twice a term during the school year, your child will bring home a Book Club catalogue with a different selection of books to order for all ages. The magazines for Scholastic Book Club Issue 3 2022 will be sent home tomorrow, Thursday 28th April.

All orders are to be made online through Book Club LOOP. **There will be no cash orders this year, only online orders.**

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or by using the LOOP app, which can be downloaded from the App Store.

If you get stuck and need help, simply call Scholastic Book Club friendly customer service team on 1800 021 233 between the hours of 8:30am to 5pm or phone/email the school and I will be more than happy to help.

Orders are due Friday 13th May

How to Order

1. Simply grab your child's Book Club catalogue and either sign in or register your account.
2. Click on ORDER and then select Golden Square Primary School and your child's class
3. Add your child's first name and last initial (so that teachers at school will know who the book is for)
4. Enter the item number from the Book Club catalogue.
5. All orders are sent directly to our school account for submission to Scholastic. Books will be delivered to your child's classroom if you order by the close date.
6. There is no need to return paper order forms or payment receipts to school.

Thank you and happy reading

Marita Eddy

SCHOOL STRATEGIC PLAN OVERVIEW

Goal 1

To improve the learning growth and achievement of all students with a rigorous focus on literacy.

Key Improvement Strategies

- 1.1 To develop, document and implement a guaranteed and viable curriculum.
- 1.2 To develop the pedagogical practices of staff and leaders using an embedded PLC approach.
- 1.3 To develop staff capabilities in understanding data and consistent collection, use and evaluation of data to inform student learning growth and achievement.

Goal 2

All students are engaged and connected to their learning.

Key Improvement Strategies

- 2.1 To develop and implement student agency in their learning
- 2.2 To develop and implement a distributed leadership model in the school to ensure engagement, wellbeing and achievement goals are addressed and enacted

Goal 3

To improve student health, wellbeing and inclusion.

Key Improvement Strategies

- 3.1 Establish and implement with fidelity the School Wide Positive Behaviour Support framework and Respectful Relationships throughout the school community.
- 3.2 Further develop and strengthen authentic, collaborative and inclusive partnerships between the school and its stakeholders.

Bendigo Senjuns Hockey Club

Come and play hockey with us!

Junior and senior teams available to join.

Come down and have a try! No experience necessary. We welcome everyone!

Training begins on the turf on 9 March:

Wednesdays 5.30pm-6.30pm for Juniors

Wednesdays 6.30pm-7.30pm for Seniors

at the Bendigo Hockey Ground (Ashley Street, Ironbark)

Games begin 18 March – it's not too late to join us!

Email for more information: senjuns@gmail.com

**LEARN TO SKATE
PROGRAM 2022**

Did you recently get a pair of roller skates and need a bit of help feeling more confident using them? Or maybe you are thinking about buying some, but aren't really sure where to start?

Dragon City Roller Derby run Learn to Skate programs for adults and kids (aged 8+) to teach basic skating skills in a fun and supportive environment. Contact us for more information through our Facebook page Dragon City Roller Derby - DCRD or our email address dcdlearntoskate@gmail.com

**Juniors training on
Wednesdays 5pm-
6:30pm**

play.afl/auskick

NAB AFL Auskick is one of the best, first experiences kids aged 5-12 will have learning Australian Football.

In weekly sessions, Auskickers and their families will run, jump, kick, laugh and create their own special moments playing footy.

No matter their skill level, ability or knowledge of the game, Auskick is for everyone!

Registration is this simple!

1

www.

Visit play.afl

2

Select "Where to play"

3

Enter your suburb
