Student Awards

Thank you to the following students for helping us with our vision of having our Golden Square Primary School community work collaboratively in a safe, respectful learning environment that inspires a passion and curiosity for learning by demonstrating the following skills, knowledge, understanding and behaviour.

Values Awards

Londyn O - for being a good classroom helper and striving to produce high quality work.
D'Lilah S - for identifying subject specific words in her information text
Levi C - for reflecting on his Dingo information report and identifying where he can improve
Poppy N - for being a kind and caring member of our class
Indi W - for showing resilience and bouncing back after feeling nervous and worried about something
Miller W - for working hard to complete all of his learning tasks and focussing during whole class instruction
Nathan P - for demonstrating his knowledge by sharing his great ideas
Abby C - for always being a helpful member of the class
Har See S - for demonstrating her kindness to fellow classmates
Ruby M - for being a kind classroom member and including others.

Reading Awards

Hariette B - for making excellent inferences when reading
Steven W - for displaying sitting manners when reading
Maysie H - for showing interest in her reading and remembering to read at home
Ava M - for answering questions about what she has read and reading high frequency words
Isla H - for working hard to summarise information reports she has read
Maya G - for answering questions based on information in the text
George C - for monitoring his reading carefully
James S - for excellent fluency and being able to retell parts of the story.

Staffing Announcement

We are delighted to announce that Kathleen Chadwick is to remain with us for the remainder of the 2022 school year being the successful applicant for a recently advertised position in the 3/4 area. Congratulations Mrs Chadwick, and we want to join in with the children's cheers of delight at hearing this announcement today!

Child Safety & Wellbeing Policy Consultation

The Child Safe Standards were first introduced in Victoria in January of 2016. There were seven standards that formed a mandatory framework aimed at protecting children from harm and abuse. Changes have now been made to ensure that the Standards are even stronger and hence protect children further. The seven standards have now increased to eleven standards and are in place from July 1st, this year. There is a stronger emphasis on involving families and communities in an organisation's efforts to keep children safe, a greater focus on safety for Aboriginal children, and managing the risk of child abuse in online environments.

A link to a draft copy of our Child Safety and Wellbeing Policy which is on our school website, can be found [here](#). You are encouraged to read through this and provide any feedback to Leanne at Leanne.Miller@education.vic.gov.au. We will be holding a virtual forum that will allow you to provide feedback and ask any questions that you may have around this policy as part of the consultation process on Friday 10th June at 9:15 am and again on Tuesday 14th June at 5:30 pm. Those who are planning to attend should rsvp to Leanne.Miller@education.vic.gov.au this intention including the particular session you are planning on attending. A link to the webex session will then be forwarded to you.

Let us *work as one* to protect the children of the Golden Square community.

Administration of Medication

If a student requires medication, Golden Square Primary School encourages parents to arrange for the medication to be taken outside of school hours. However, we understand that students may need to take medication at school or school activities. To support students to do so safely, Golden Square Primary School will follow the procedures set out in our [Administration of Medication Policy](#) which can be accessed on our [school website](#).

Any medication brought to school by a student needs to be clearly labelled with:

- the student's name
- the dosage required
- the time the medication needs to be administered.

and must be given to the front office or the teacher in charge of the excursion or camp.

Parents/carers need to ensure that the medication a student has at school is within its expiry date. If school staff become aware that the medication a student has at school has expired, they will promptly contact the student's parents/carers who will need to arrange for medication within the expiry date to be provided.

The [Administration of Medication Authority Form](#) that is referred to in this policy can be accessed [here](#). We are able to provide hard copies of this form from the office if required so please don't hesitate to make contact.

Grade 1 & 2 Museum Excursion - Friday 10th June

This Friday, the Grade 1/2 team will be heading to the Melbourne Museum and IMax cinema as part of our "Watch It Grow" inquiry unit. We will be visiting the Bugs and Dinosaur exhibition as well as watching a bug movie in the IMax theatre. We will be travelling by bus to Melbourne. The bus will depart at 8:00 am from the MacKenzie Street west side of the school and we will be returning at approximately 4:30 pm. Look out for some amazing photos in next week's newsletter. Thank you to all of our volunteers who are accompanying the children and staff that have made this event possible.

Student Free Day - Berry Street Training

We are very excited to have been able to secure two training days this year in the Berry Street Educational Model training.

"The Berry Street Education Model (BSEM) provides strategies for teaching and learning that enables teachers to increase engagement of students with complex, unmet learning needs and to successfully improve all students' self-regulation, relationships, wellbeing, growth and academic achievement."

(<https://www.berrystreet.org.au/learning-and-resources/berry-street-education-model>)

Here is a [short clip](#) that will help us understand further, the impact that such learning can have on the outcomes of all students in the school. The Mental Health Menu funding that we are receiving this year will finance our involvement in this [Berry Street Education Model](#) learning.

The first day training is scheduled for Monday 20th June. The second day training is scheduled for Monday 24th October. Two further days training will be held in 2023.

As the training will involve all staff and the training is being delivered off-site, the school will be closed on this day. Please make bookings with Camp Australia for their services if supervision and care of your child/ren is required.

Cold Weather

The weather has certainly told us that winter has arrived. Please ensure that your child is dressed appropriately for the conditions as even though our classrooms are warm, they are still outside during Physical Education and Sport sessions as well as during their recess and lunch play breaks. This is an important part of the children's schooling where they develop their personal and social capabilities as they learn to play with and amongst others.

If you are requiring support in obtaining a winter uniform for your child, please contact Kelli Bailey, our school chaplain who will be happy to help.

AFL Victoria Clinics

On Friday 3rd, 10th and 17th June AFL Victoria will be running free football clinics in our school as part of the positive start camps and excursions program. Grade 5 & 6 classes will participate in the clinics each week and the Prep/1/2/3/4 students will participate in a clinic on one of these days. Please see the timetable below.

Friday 3rd June

9.00 - 10.00	Grade 5/6	2 x clinics	M7 Freer & M8 Williamson
10.00 - 11.00	Grade 5/6	2 x clinics	M5 Osborne & M6 Resta
11.30 - 12.30	Grade 3/4	2 x clinics	L5 McKenzie & L7 Waterworth
12.30 - 1.30	Grade 3/4	2 x clinics	L8 Chadwick & M1 Tomlinson & L6 Durrant

Friday 10th June

9.00 - 10.00	Grade 5/6	2 x clinics	M7 Freer & M8 Williamson
10.00 - 11.00	Grade 5/6	2 x clinics	M5 Osborne & M6 Resta
11.30 - 12.30	Prep	2 x clinics	L3 O'Grady & L4 Roll

Friday 17th June

9.00 - 10.00	Grade 5/6	2 x clinics	M7 Freer & M8 Williamson
10.00 - 11.00	Grade 5/6	2 x clinics	M5 Osborne & M6 Resta
11.30 - 12.30	Grade 1/2	2 x clinics	L1 McCarty & L2 McMillan & M4 Armitage
12.30 - 1.30	Grade 1/2	2 x clinics	M2 Powell & M3 Fry

Visitors & Volunteers

We are very excited to have many volunteers and visitors regularly attending school. We would like to thank everyone for your understanding with signing in and out when you visit and completing inductions when volunteering. All visitors and volunteers who are undertaking work at the school are required to provide evidence of being triple-vaccinated. A reminder while visiting or volunteering at school, to please direct any concerns about children to the nearest staff member who will provide the necessary support to the child.

Parent Reading Helpers

Thank you to all the parents and friends who have completed the induction for reading helpers. If you are interested and could not make the session please contact Jess Tomlinson to organise another time that suits.

jessica.tomlinson@education.vic.gov.au

Volunteer Library Helpers

We are seeking volunteers who would like to assist with contacting books for the Golden Square Primary School Library. You may contact books from home or you may prefer to contact the books in the library with a volunteer network. To be a volunteer, you will need to show proof of triple vaccination, have a current Working with Children's Check card and attend a volunteer induction. If you would like to volunteer by taking books home to contact, you will not be required to attend an induction. If you would like to be a library helper, please register your interest via the following email

marita.mclean@education.vic.gov.au

COVID-19 Update

There have been a few questions from families around matters relating to COVID-19. We will attempt to answer a couple of the frequently asked questions for you, however, please be mindful that these guidelines continue to change.

My child is a household contact. What does that mean?

You are classified as a household contact if you have spent more than four hours with someone who has COVID-19 inside a house, accommodation, or care facility.

Children who are household contacts no longer need to isolate as long as they take additional safety measures. These measures include:

- Notifying the school that they are a household contact.
- Undertake daily rapid antigen testing five times within the 7 days.
- Wear a face covering when indoors if aged 8-years and above or unless they have a valid exemption.

There is a [checklist for COVID contacts](#) that provides further information.

We have received another delivery of rapid antigen tests and will distribute these shortly. A Compass message will alert you to when this has happened so you know to look out for these in your children's bags. If your child is required to undertake additional testing because they are a household contact and you do not have enough rapid antigen tests available for them, please contact us and if we have supplies available, we will provide them with a pack.

My child has tested positive for COVID-19. What do I need to do now?

If your child tests positive for COVID-19 the following must occur.

- Isolate at home or in private accommodation for 7 days (inclusive of weekends) and not attend school during this period of time.
- Report the result to the Department of Health [online](#) or call 1800 675 398.
- Inform the school that they have tested positive to COVID-19.
- Follow the [checklist for COVID cases](#).

Student Attitude to School Survey Grade 4-6 2022

PARENT / CAREGIVER / GUARDIAN INFORMATION AND CONSENT LETTER

2022 Student Attitudes to School Survey

Dear Parent / Caregiver / Guardian,

This letter is to inform you about the 2022 Student Attitudes to School Survey (AtoSS), that your child is invited to participate in.

About the survey

We value student voice as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of your school.

The AtoSS is an annual student survey offered by the Department of Education and Training to assist your child's school to gain an understanding of students' perceptions and experience of school. Students will be asked about their thoughts and feelings in relation to their school, their learning, peer and family relationships, resilience, mental health and wellbeing, physical activity, and life in general.

This year, the AtoSS will be conducted at your school over the period Monday 30 May – Friday 17 June 2022.

What are the benefits?

In our experience, young people enjoy having their say. We have been running this survey for nearly 20 years and it has been invaluable in helping schools understand student views. Your school will use the survey results to plan programs and activities to improve your child's schooling experience.

What are the risks?

While we do not anticipate many risks of participation, some students may find some of the survey questions too personal and sensitive in nature. Should you agree for your child to participate, they are still free to skip questions or to withdraw at any stage if the survey makes them upset or uncomfortable.

The survey has been approved by a Human Research Ethics Committee. The questions are selected from validated survey instruments used in Australia and around the world, are strength-based, and tailored for each year level group.

What will my child be asked to do?

Your child will be invited to complete the survey online during class time using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Please note:

- Student participation in the survey is voluntary and students may withdraw at any time.
- The survey will take around 20-45 minutes to complete.

How is my child's confidentiality protected?

Your child will be provided with a unique login to complete the survey from their teacher. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. Personally identifiable data will not be recorded in the survey response file. This ensures that the confidentiality of your child's responses is protected at all times.

How will results be reported?

The survey results will be reported back to the school in an aggregate form throughout the survey period. All survey data that is made available in reports are for groups of students only so that no individual student can be identified. Data suppression rules are used for schools with low student numbers per year level.

Your school may share the results of the survey with parents, in documents such as the School Annual Report.

Options for participation

Participation in this survey is voluntary. If you do not wish for your child to do the survey, please opt out via email to your school: golden_square.os@education.vic.gov.au. Please do so before Monday 30 May 2022 stating that you wish to opt out of your child's participation, along with their name and year level.

If your school does not receive a Refusal of Consent email from yourself before the survey commencement date mentioned within this letter, it means that you give your consent for your child to participate in the 2022 Attitudes to School Survey.

A copy of the survey that we are asking your child to complete is available from your child's school. Please contact the administration office if you would like to see the survey before making your decision about whether you would like your child to participate.

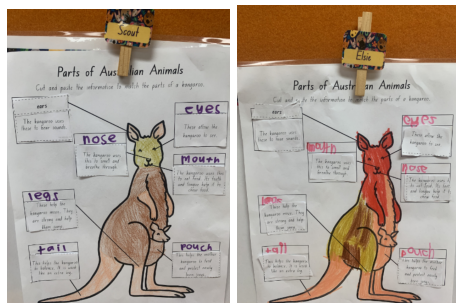

If you would like more information, please speak to your child's teacher, or contact the Department at school_surveys@education.vic.gov.au.

Yours sincerely,

The Victorian Department of Education and Training

Reading

In reading, students are continuing to learn all about non-fiction texts. They have been learning to share facts they already know and are beginning to ask questions about what they would like to know. Students are becoming quite the experts at recognising features of non-fiction texts. They can name a contents page, maps, headings, labels and bold text.

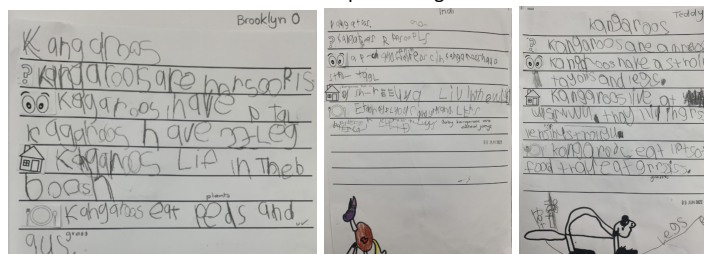

Writing

Students are continuing to write information reports about different animals. Prep Roll have written about kangaroos and tigers and Prep O'Grady have written about koalas and kangaroos.

Students have also learnt to label pictures of these animals to accompany their reports.

Both classes have also spent time learning how to spell high frequency words and worked on correct letter formation and positioning of letters on a solid line.

Mathematics

In Maths this week we have started learning about addition. Students have learnt different vocabulary that means add such as plus, and, more. They have learnt that addition means to add two groups together. They are able to recognise the addition and equals symbols. Students have been using unifix, teddies and counters to count out an amount and then add another amount to it.

Students have been learning 'friends of 10' sums. These are two numbers that add together to make 10.

Prep O'Grady PMP

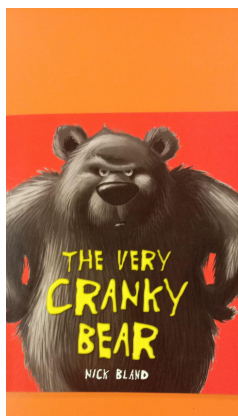

Each Wednesday afternoon Prep O'Grady use the gym for PMP. PMP is a movement-based program which helps students improve their eye/hand and eye/foot coordination, fitness, balance and eye-tracking skills. The students are really enjoying themselves and working well in their team groups whilst improving their skills.

This Friday, Preps will have our Football Skills Clinic. Students can come dressed in their football colours. There is no cost to participate in this program. Please remember to pack a spare change of clothes in your child's bag in case they get wet while playing outside. It is also important that students bring a jumper to school every day during the cold weather.

Reading

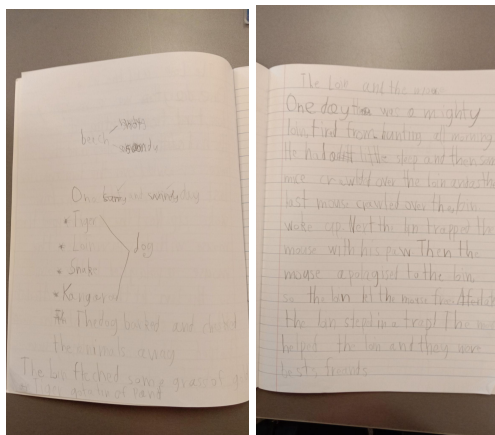

During reading this week we have been continuing our exploration of recounts. We have been noticing recount features in narratives and searching for past tense words, time connectives (then, next, finally) and

adjectives that help us visualise the story. The book we have been reading is 'The Very Cranky Bear'.

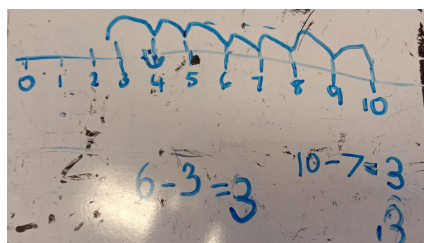

Writing

Our writing this week has continued our focus on recounts. We have been writing recounts of shared stories we have read. We have also begun planning our own stories that include recount features such as past tense verbs and time connectives. We have been using different adjectives to add interest to our narratives.

Mathematics

During maths this week we continue to focus on subtraction. Not only have we been exploring different strategies to help us subtract but we have been looking at the connection between subtraction and addition.

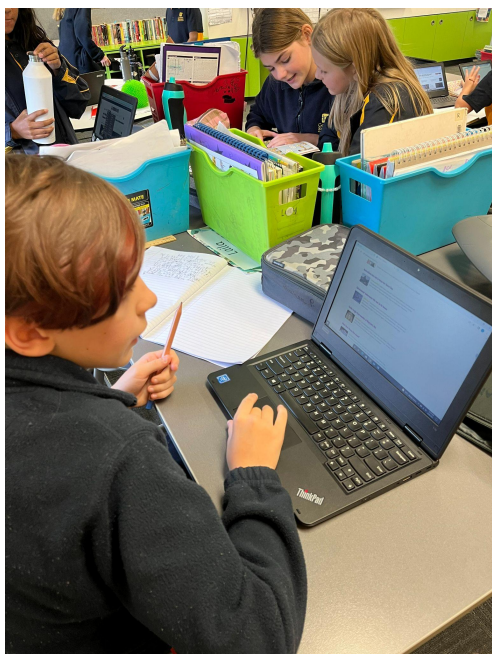

Reminders

We are getting very excited as our excursion to the Melbourne Museum and Imax on Friday fast approaches. Could parents please have children at school at 7.30am for an 8am departure. Teachers will be at the McKenzie St West bus stop to meet the children? Children will need their lunch and snacks in a named plastic/disposable bag and a drink bottle. Please ensure your child has a jumper.

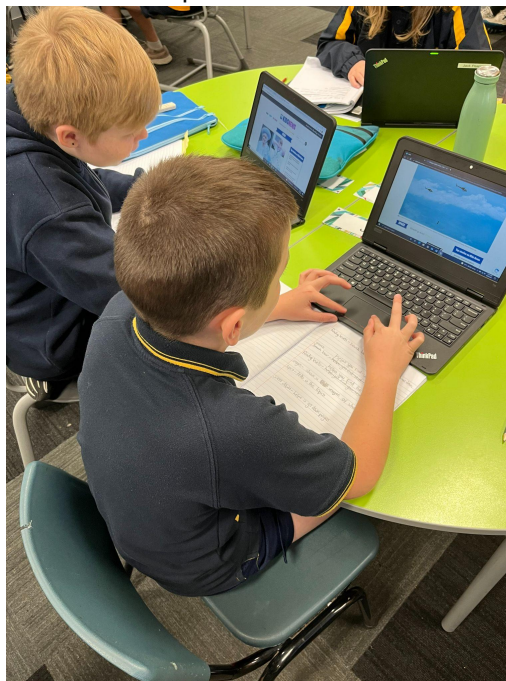

Reading

This week in reading we have been investigating newspaper articles and online information texts. While reading the texts students were finding a range of facts and making comments on the effectiveness of the navigation features such as links, sub-headings and topics. They then made comments on how the text could be improved.

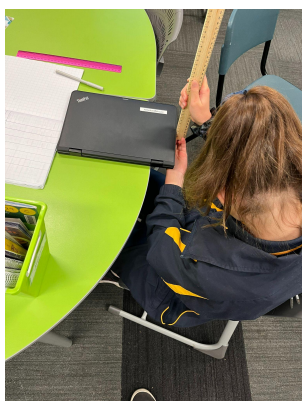

Writing

We are applying our understanding of information text to start researching a topic of the students choice. Starting with brainstorming a topic, planning subheadings, writing down what we already know and starting to research our topic.

Mathematics

We have been working with units of measurement. Measuring a range of items to find out length, width, perimeter, area and volume.

Reminders

Let us remember our school vision.

Our Golden Square Primary School community will work collaboratively in a safe, kind and respectful environment that inspires a passion and curiosity for learning.

How are you encouraging your child to be leaders within our school that are living this vision every day?

Book Club LOOP

Dear Families,

Scholastic Book Club Issue 3 2022 closed last week. Orders that arrived yesterday, were handed out to classes today. Scholastic Book Club Issue 4 2022 magazines have been handed out to all classes.

All orders are to be made online through Book Club LOOP. **There will be no cash orders this year, only online orders.**

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or by using the LOOP app, which can be downloaded from the App Store.

If you get stuck and need help, simply call Scholastic Book Club friendly customer service team on 1800 021 233 between the hours of 8:30am to 5pm or phone/email the school and I will be more than happy to help.

Orders are due Friday 10th June

How to Order

1. Simply grab your child's Book Club catalogue and either sign in or register your account.
2. Click on ORDER and then select Golden Square Primary School and your child's class
3. Add your child's first name and last initial (so that teachers at school will know who the book is for)
4. Enter the item number from the Book Club catalogue.
5. All orders are sent directly to our school account for submission to Scholastic. Books will be delivered to your child's classroom if you order by the close date.
6. There is no need to return paper order forms or payment receipts to school.

Thank you and happy reading

Marita Eddy

Thank you for your continued support and happy reading.

Marita Eddy

SCHOOL STRATEGIC PLAN OVERVIEW

Goal 1

To improve the learning growth and achievement of all students with a rigorous focus on literacy.

Key Improvement Strategies

- 1.1 To develop, document and implement a guaranteed and viable curriculum.
- 1.2 To develop the pedagogical practices of staff and leaders using an embedded PLC approach.
- 1.3 To develop staff capabilities in understanding data and consistent collection, use and evaluation of data to inform student learning growth and achievement.

Goal 2

All students are engaged and connected to their learning.

Key Improvement Strategies

- 2.1 To develop and implement student agency in their learning
- 2.2 To develop and implement a distributed leadership model in the school to ensure engagement, wellbeing and achievement goals are addressed and enacted

Goal 3

To improve student health, wellbeing and inclusion.

Key Improvement Strategies

- 3.1 Establish and implement with fidelity the School Wide Positive Behaviour Support framework and Respectful Relationships throughout the school community.
- 3.2 Further develop and strengthen authentic, collaborative and inclusive partnerships between the school and its stakeholders.

LEARN TO SKATE PROGRAM 2022

Did you recently get a pair of roller skates and need a bit of help feeling more confident using them? Or maybe you are thinking about buying some, but aren't really sure where to start?

Dragon City Roller Derby run Learn to Skate programs for adults and kids (aged 8+) to teach basic skating skills in a fun and supportive environment. Contact us for more information through our Facebook page Dragon City Roller Derby - DCRD or our email address dcrdlearn2skate@gmail.com

Juniors training on Wednesdays 5pm-6:30pm

NAB AFL Auskick is one of the best, first experiences kids aged 5-12 will have learning Australian Football.

In weekly sessions, Auskickers and their families will run, jump, kick, laugh and create their own special moments playing footy.

No matter their skill level, ability or knowledge of the game, Auskick is for everyone!

Registration is this simple!

- 1 **WWW.**
Visit play.afl
- 2 **Select**
"Where to play"
- 3 **Enter your suburb**
- 4 **REGISTER**
Find your local club and register!
